Global PM Days

WHY

To support the growth of young project managers and students by boosting their **personal** and **interpersonal competences**.

HOW

By providing an opportunity to **learn from the world's leading experts** and **connect with like-minded individuals** while ensuring easy and flexible access at an **affordable price** point.

WHAT

2-day online conference on project management that brings together world-class speakers to spread and share knowledge and expertise by connecting conference attendees with experts.

In a nutshell

- » Truly global project management event
 - » Winner of IPMA YC innovation process 2019
 - » Twice a year in May & November
 - » Focus on people competences of ICB4
-
- » PM weekend full of expert insights
 - » 14 keynote speakers
 - » 3 panelists
 - » 500+ attendees
 - » 50+ countries
 - » 4 networking sessions
 - » 8 hours of PM content
 - » 10 CPD hours

Who should attend

The conference is addressed and open to **everyone interested in developing people competences** required to successfully participate in or lead projects
